Mulbarton Youth Cricket Club

Aims of the Club

- To promote the game of cricket as a recreational sport within Mulbarton and adjacent areas.
- To provide opportunities where children can play and enjoy cricket in a safe, fair, encouraging and friendly environment.

Etiquette and Matches

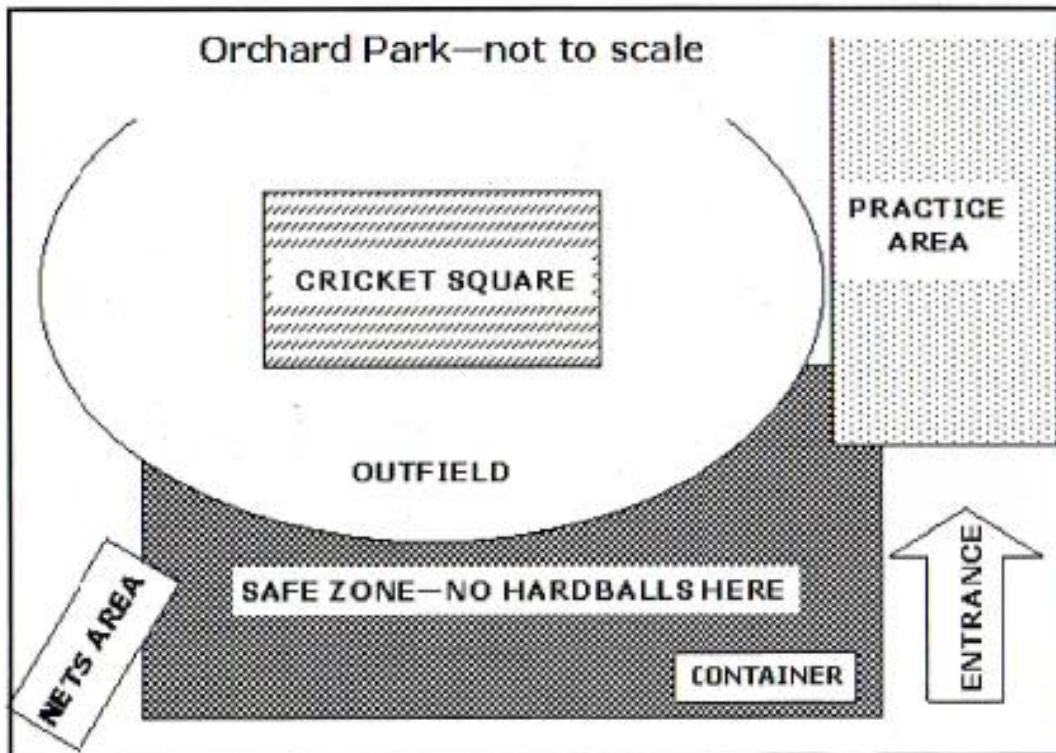

- If you are selected to play in a match you will receive an email or phone call.
- If you cannot play please let the Club know as soon as possible so that a replacement can be found.
- If the match is cancelled because of bad weather or for some other reason, you will be contacted by telephone.
- If you are playing please try to arrive at least 15 minutes before the start of the game.
- Remember all necessary equipment. Members are expected to provide their own white cricket trousers, shirt and suitable footwear.
- The required protective equipment shall be worn during training and matches. Boys must provide their own abdominal protector (box).
- Use the time prior to the start of the match to warm up and prepare.
- When playing in a match, members are expected when not fielding or batting, to support their team by watching the game with the spectators.
- Always clap a new batsman in and applaud a batsman's 50 or 100.
- Players and spectators must demonstrate good sportsmanship.
- At the end of an innings, clap the batsman off the pitch.
- The Umpires decision is final. Never question the Umpires decision however unfair the decision may seem.
- Shake hands with your opponents at the end of the match.
- Members are asked to respect the property of Mulbarton CC and other users of Orchard Park.
- Club equipment must be returned to the bag after training/matches.
- After matches please do not disappear immediately, there are always small jobs to be completed; collecting the boundary markers, packing the club bag, retrieving equipment etc.
- Please ensure that all of your kit is clearly named, we acquire a good deal of lost property over the season. If it is correctly named we can return it immediately, if not, it is more difficult to trace its owner.

Safety Guidelines

All members need to be aware of the safety zone at Orchard Park regarding the use of hard balls:

- Hard cricket balls must not be used in the safe zone (see below).
- Players knocking up must use the nets or the practice area, hitting the ball away from spectators.

- When using the nets, players must be aware **at all times** of batsmen hitting the ball towards them.
- Batsmen using the nets must wear a helmet.
- When changing or talking players should be behind the wings of the nets and **not** in front.

Parents, Guardians and Players are reminded that signing of the registration form for 2017 confirms acceptance of the terms and conditions of membership.
